HAYDEN, Sept. 22. (Special Correspondence)—One of the fastest and snappiest games of the season was presented to local fandom today when the Miners went down before the Smelterites three to four. Hogan for the visitors and Cowan for the home team both did splendid work, usually retiring their adversaries in one, two, three order. Team work was flawless on both sides, not one error to mar the sport.

There was only one time when it looked dark for the Smelter boys. This came in the sixth when Cowan started a ballroom ascension passing over men and allowing two hits all in the same frame. This resulted in three scores for the Hesterites, one of which was forced when Driscoll walked and Hester crossed the plate in the next inning, however, Cowan returned to his steady work and lost three men faced him. In the ninth the Ray boys came to bat needing but one run to tie the score and Arbogast slammed the sphere to left field fence for two sacks. A little later he spoiled it all by allowing himself to be put out playing off the base. Penleton was next and made first on a grounder in the vicinity of short. Then with one down and one on, Herb's head got to working and he sent up the famous pinch hitter, Art Ramage, with orders to put a whirlwind and spectacular finish to the contest. He did but it was not the exact brand of finish ordered for he sent a hot one down to Garney who, with lightning rapidity passed Garrity, who handed it to "Spot" MacMurdo retiring both Penleton and Ramage and closing the contest.

The Smelter boys saw two of theirs in the fourth when Agnew, their new catcher, sent a beautiful two-sacker down third-base line bringing MacMurdo and Whaling home. In the fifth Stadeli batted for the home team after Cowan was down sending a nice fly to left for two. Garrity

went out but Pierce followed with a long one to left field fence for two bringing Stadeli home. MacMurdo was next with a two-bagger to left field fence scoring Pierce but he did there as Whaling flew out retiring the side.

There were fast and snappy plays on both sides, both infield and out but notably sensational were the two excellent doubles by the ore puddlers. In one of these doubles Garney made a star catch of a hot drive from Gay's bat and then stepped to second retiring Mitchell also.

On next Sunday afternoon the Smelter and Mill teams cross bats and a hot contest is expected. This afternoon the Noycar club band was on hand and furnished excellent music.

### FIRST FALL GUN CLUB PRACTICE TODAY

The Phoenix Gun Club will hold its first fall practice shoot this morning at the traps on the fair grounds, at ten o'clock sharp. Now is the time to get out that old scatter gun boys and join in the sport, even if you are not a member of the club you are cordially invited to come out and break a few clay pigeons. If you don't know how to shoot them, there will be shooters there to help you out.

### Notes of the GRIDIRON

The first class game played Friday between the Sophomores and Freshmen showed the development of two great stars, who are known as Westfall and Detweiler, both of the Freshmen team.

Junior-Senior class game to be played on Friday afternoon is causing great comment among football fans. Gridiron stars are hard at work and are developing much speed. Practice is a great exercise for growing boys.

Prof. Francis Geary is not only a good coach, but he is a mighty fine "Penmanship tutor."

After while, if things don't change some of the boys out for football will have to have their hats made to order.

Bob Boardman will undoubtedly referee the Junior-Senior game Friday owing to the fact that he made such a hit in the Sophomore-Freshmen game.

Luke, Marlar and Latham are called the Senior team. Wonder why?

Principal R. Thayne Cook got busy and had a football field worked over so the Coyotes could practice in a fashionable manner.

Would it be asking too much if Manager Taylor would get wet and have a water boy in the field during practice nowadays?

It would be a shame, wouldn't it, if Captain Wilky's team beat the Seniors next Friday?

Coch Geary sure has a fine cure for the "big head." Take off that suit, Galpin!

The Coyotes are anxiously awaiting the time to come when they get a crack at the Alumni.

"How hell can you get out a football squad when they go and advertise ambulances and ambulancers on the football page?" inquires P. Geary.

## STRONG STATE RIFLE TEAM

Elimination Matches Con-  
vince Adjutant General  
National Guard Shots  
Will Make Fine Showing  
at Jacksonville

The elimination of the Arizona National Guard Rifle team that is to go to Jacksonville, Florida for the annual national matches, has just been completed. Adjutant General Charles W. Harris in commenting on the line up, says that the result of the elimination trials is that Arizona will be represented by the strongest rifle team that has ever been sent out of the west.

The team, in the order of the individual standing, is as follows:

1. Captain Joseph E. Noble.
2. Captain H. C. Cockendall.
3. Sergeant Cooley.
4. Captain C. V. Guller.
5. Sgt. Brimhall.
6. Sgt. Byers.
7. Lieut. Claude Shambart.
8. Capt. Mullen.
9. Sgt. Juan Ochoa.
10. Lieut. Ming.
11. Sgt. Openshaw.
12. Sgt. White.
13. Pvt. Clanton.
14. Sgt. Gould.
15. Sgt. Valodan.
16. Sgt. Hicks.

The team will spend the next week in practice before going to the Jacksonville matches.

## CUB GRIDIRON CLUB STARTS WORK TOMORROW

Captain Earl Reno of the Cubs Athletic club football team has called practice for tomorrow afternoon at 4 o'clock at the Cub field, Second street and Culver streets. All interested in the Cubs and their team are urged to be present.

The Tigers will not have a team this year but Monroe, Adams and Osborn schools are going to have teams so there are some games assured.

Some of the members who have expressed a desire to have a team this year are Reno, Mann, Herwig, Lane, Hefflin, Pickrell, Kinney, McKee, Green, Wickoff, Allen, Chaney, Young and Irvine.

### ALL FOR A DEER

Many hunters are getting ready now for the big deer hunt, as the season opens on October 15. Many hunters all say they are going to bring in the first deer and win the new 29-30 Carbine rifle offered by Pinney and Robinson for the first deer.

## WES HILL PUTS ON OVERLANDS

Globe-Phoenix Auto Stage  
Line Adds to Its Carry-  
ing Facilities Three  
Seven-Passenger Sixes—  
Garfords to Phelps-Dodge

Three big six-cylinder seven-passenger Overland automobiles were purchased during the week by the Globe Phoenix auto stage line. They will be used to handle the traffic over the Apache Trail route, as the Roosevelt road has been named by the Southern Pacific railroad in all of its eastern advertising done to induce travel to the great Roosevelt dam and through Phoenix.

W. A. Hill, manager of the stage lines, has been assured that there will be a big increase in travel over the Apache Trail. He needed additional cars that could stand the hardest kind of work over mountain roads.

The Overland service was an important item to the stage lines. There are Overland garages at both ends of the lines and several on the way. Repair parts are always available on the shortest notice.

Speaking of one of the reasons for big Overland sales, H. H. Hotchkiss stated that the factories are completing 550 cars daily and with this tremendous output there are no delays on delivery. The Overland company is probably the largest user of newspaper advertising space of any automobile manufacturing concern and is said to be putting out the biggest output of any automobile company with the exception of the Ford.

The Huntsman-Hotchkiss company has just sold to the Phelps-Dodge Co. of Bisbee a solid carload of Garford Utility trucks. This firm has been trying out a number of different makes, including a Garford Utility with the result that the Garford went out in the test and the big mercantile company is now favoring this popular truck.

Said Mr. Hotchkiss, "We are selling Overlands pretty fast, but with the tremendous output of the factory we are enabled to make deliveries without delays. We have two more carloads of Overlands to arrive this coming week."

### FEDERAL LEAGUE

Buffalo, 4; St. Louis, 10.  
Newark, 1; Pittsburgh, 2.  
Second game—Newark, 9; Pittsburg, 1.

Brooklyn, 6; Chicago, 12.  
Baltimore at Kansas City—Both games off; rain.

## Murder! Look What's Escaping Bad Road Costs Phoenix Thousands

By LYLE ABBOTT

We sat in his car, soon after he had arrived from Trinidad, Colorado, and he told us what is the matter with Phoenix. (Nearly everybody you ask has a different diagnosis.)

One stretch of bad road makes the whole world shun. And there is certainly one mighty bad stretch of road between here and the logical outlet to the east via the Ocean to Ocean high-

way. That one hard place, according to the tourist, has cost Phoenix some thousands of dollars this summer. AND IT IS LOCATED OVER A HUN-

DRED MILES AWAY.  
The tourist, who is a Phoenix man of modesty, and a sincere well-wisher for the dear old burg, wanted us to contribute a right smart cranky article on the road conditions. Briefly, however, the facts are these:

Between Springerville and Phoenix is a stretch of road that has a lot of possibilities for Phoenix. It is favorably located in the heart of the highly scenic White Mountains, and more than
